Thanks. It will be good to discuss options, even though we don't know the complete picture from Sunnyside.

Kelcey, Are you referring to an internal meeting or one with Sunnyside? Do you and/or Richard have specific thoughts at this time about a path forward?

Thanks,

Martin, we thought we had asked Judy to set up a meeting, but since I haven't seen it yet, perhaps she lost our request - I'll check in with her and see what's up and we will get something scheduled - Kelcey

Martin:

I have been travelling and will be out of the Office the great bulk of today, so I thought that I would check in with you concerning my prior voicemail suggesting a meeting to discuss the conceptual legal framework for our collaborative efforts with respect to the Animas in the Silverton area. Please let me know your thoughts, or when we might

discuss.

Thanks and regards.
